Institutions

- Organization of academic, research, and outreach programs agreeable to both
- Exchange of students (undergraduate and/or graduate)
- Exchange of faculty
- Organization of joint conferences and workshops
- Review and revision of curricula and educational/training strategies
- Supervision of M.S. and Ph.D. students
- Organization of joint research, education, and outreach programs
- Sharing of academic, research, and outreach information and materials
- Capacity building of faculty, staff, and students

The institutions agree to encourage the development of the following programs based on their respective academic, research, and outreach needs and interests. This agreement is based on the principle of reciprocity and expresses the interest of both parties.

Institutions will be enhanced and their mutual understanding between their respective participants in academic, research, and outreach collaborations in the belief that these processes at both the national and international levels are achieved.

Agree to implement this Memorandum of Understanding

Centre National de Formation des Techniciens des Eaux, Forêts, Chasses et des Parcs (IFICPN) and Virginia Polytechnic Institute and State University (Virginia Tech)

备忘录, 该文件于2011年6月5日签署。
The parties recognize that the implementation of any such program will depend upon the availability of financial resources. Accordingly, the implementation of each program academic, research, and outreach interests and expertise of individual faculty members and departments of the two institutions, taking into account the unique strengths and contributions of each institution.

3. This agreement is not intended to be a legally binding document. It is meant to describe the general direction and expectations of the cooperation described above. Nothing in this agreement diminishes the full autonomy of either institution nor will any constraints be imposed upon the affairs of either institution by the terms of this agreement.

4. The agreement shall become effective on the day of its execution, and it shall remain in effect for a period of 5 years, and is subject to revision or modification by mutual agreement. It may be modified by mutual written agreement. If it is understood that either institution may take action to terminate the agreement at any time, although it is understood that the agreement may only be terminated upon the mutual agreement of both institutions.

5. For Virginia Tech, Dr. S.K. De Datta and for CNFETCPN, Moussa Cisse shall serve as

leaders for this agreement.

Dr. Charles W. Steiger
