3. This agreement is not intended to be a legally binding document. It is meant to describe the nature and to suggest the guidelines of the cooperation described above. Nothing therefore in this agreement shall be separately negotiated and determined by both universities.

2. The parties recognize that the implementation of any exchange program will depend upon the organizational of other academic exchanges agreeable to both universities.

- Organization of other academic exchanges agreeable to both universities
- Organization of joint conferences
- Organization of joint research programs
- Exchange of periodicals and other publications
- Exchange of academic information and materials
- Joint supervision of M.S. and Ph.D. students
- Exchange of students (undergraduate and graduate)
- Exchange of faculty

Based on their respective academic and educational needs, the universities agree to encourage the development of the following exchange programs:

- Establishment of such exchange programs

understanding between their respective scholars and students will be increased by the regular bilateral exchange of researchers and educational materials. The universities agree to encourage the implementation of this memorandum of understanding.

The Chonnam National University (CNU) and Virginia Polytechnic Institute and State University (Virginia Tech) hereby agree to implement this memorandum of understanding.
