This agreement shall be separately registered and determined by both universities.

The parties recognize that the implementation of any exchange program will depend upon the

2. Organization of other academic exchanges agreeable to both universities
   - Organization of joint conferences
   - Organization of joint research programs
   - Exchange of students and faculty members on the basis of mutual
     interest of both parties
   - Exchange of students (undergraduate and graduate)
   - Exchange of faculty

based on their respective academic and educational needs.

The universites agree to encourage the development of the following exchange programs:

- Establishment of such exchange programs
- Understanding between their respective faculties and students, and faculty members of
  the institutions will be increased by the mutual enhancement of both institutions.

This agreement is based on the principle of reciprocity and expresses the interests of both parties.
