STUDENT EXCHANGE AGREEMENT

between

VIRGINIA POLYTECHNIC INSTITUTE AND STATE UNIVERSITY
(Virginia Tech)
Blacksburg, Virginia, U.S.A.

and

UNIVERSIDAD ORT URUGUAY
(ORT)
Montevideo, Uruguay

In the interests of expanding educational opportunities, Virginia Tech and ORT agree to promote the exchange of students under the following provisions:

1. Exchange Coordinator
Each party to the agreement will appoint an officer who will be responsible for the coordination and administration of the exchange, including the selection and counseling of the exchange participants. For Virginia Tech, Ms. Christine Jarchow will serve as Exchange Coordinator. For ORT, that role will be played by Julio Fernández.

2. Duration of Exchanges
Each institution agrees to exchange individual students for a semester or an academic year, ideally on a one-for-one basis.

3. Number of Students to be Exchanged
The number of qualified students to be exchanged will be determined by mutual agreement between the two institutions.

4. Balancing the Exchange
Parity in numbers of exchange students is the objective of the agreement. However, each party should be prepared to consider a disparity in any given semester or year during the period of agreement. Any and all imbalances shall be resolved by the end of the period of agreement.

5. Academic Status
All students will remain enrolled as regular degree candidates at the home institution and will not be enrolled as candidates for degrees at the host institution. Students are expected to maintain full-time status at the host institution.

6. Student Eligibility
The Exchange Coordinator at each institution, acting after consultation with the appropriate academic unit, will be responsible for the selection of suitable nominees for exchange. It is understood that the Coordinator will nominate students who are both academically and personally suitable for exchange abroad and that details of academic background as well as references will be provided to the host institution. It is hoped that the host institution will not reject a nominated student unless he/she does not meet established admission requirements for international students, or unless the host-institution cannot guarantee availability of required courses.

7. Transcripts
Both institutions agree to provide a transcript at the end of the period of study, giving details of the courses studied and grades and credits awarded.

All housing and meal costs will be the responsibility of the exchange student. The host institution agrees to provide all necessary assistance in arranging accommodation in the residence halls or off campus, as appropriate. All travel costs will be the responsibility of the individual student. Miscellaneous fees such as special course fees, fieldwork courses, key deposits, books, etc. will be paid directly by each participant.

9. Vacation Periods
The individual student will be responsible for his or her own housing and meal arrangements and costs during vacation periods.

Each participant will provide his or her own health and accident insurance. Proof of adequate insurance coverage must be provided to the international office of each institution.

11. Dependents
The obligations of each institution under this agreement are limited to the exchange of students and do not extend to partners or dependents. Expenses of accompanying partners and dependents are the responsibility of the exchange student.

12. Visa Requirements
Participants will be required to meet any visa requirements that pertain to studying in the host country.
