**Abstract.** Leave the word "Abstract." then type your abstract here. For a new paragraph, do not tab over or indent, just hit the Enter key. It will look like a double space between paragraphs. If your abstract is long, choose a smaller font or let it run onto the next page.

*Please include your major findings in a useful and concise manner. Include a problem statement, objectives, brief methods, quantitative results, and the significance of your findings. The abstract should be no more than 300 words long.*

**Keywords.** Leave the word "Keywords." then type keywords or key phrases, separated by commas. List both specific and general terms that will aid in searches.
